## [A Freebie for the New Year](#)

By [Roger Keays](#), 4 January 2017

Hi Readers, and Happy New Year!

To get your year off to a good start, I am running a free giveaway for 100% Love Guaranteed (kindle edition) on Amazon. It lasts until Friday, so you can grab the book this week, and start reading it on the weekend. For those who didn't get the memo, 100% Love Guaranteed is a story of my misadventures and incarceration in Ecuador. It's a love story, an adventure story, and a story about personal growth. What's more, it's rated 4.8 stars on Amazon.

Follow the links below for your regional Amazon store. You can read it on your phone, table, ebook reader, or laptop.

I have a long list of blogs to write for you this

year. I was writing a lot in 2016, and it left me pretty burnt out, so I can't promise to have a blog for you every Sunday. Instead, they'll come when I'm inspired. My top articles from 2016 were:

- [How to Psychoanalyse Your Friends](#)
- [Love is a Triangle](#)
- [What Do You Want \(to Do\)?](#)
- [What is the Goal of Investing?](#)
- [How to Make \\$1,739,586 in 15 Minutes](#)
- [How to Handle Snobs](#)
- [Men Going Their Own Way](#)
- [VimFlow: The Simplest Outliner for VIM](#)

To give you an idea of what's in store this year, here are some of the articles I have drafted (or outlined):

- How to Use A Memory Palace
- The Holy Grail of Productivity
- The Rule of Twos
- 20 Steps to Beating Depression
- How Long Does it Take to Write a Book?
- How to Write
- How to Draw Music
- How to Remember Words

I've started reading more widely now, so I'll also be posting some book reviews now and again.

I hope you enjoy the blog, and have a great year in 2007 :)

Roger

## About Roger Keays

Roger Keays is an artist, an engineer, and a student of life. He has no fixed address and has left footprints on 40-something different countries around the world.

Roger is addicted to surfing. His other interests are music, psychology, languages, the proper use of semicolons, and finding good food.
