

Haikus Of Your Life

By [Roger Keays](#), 3 May 2014

A fellow psychology student, Lakecha, wrote some haiku's about my motivation app "[The Game Of Your Life](#)". They're kind of cute:

The Game of Your Life

I must trick myself
Into acting presently
For future rewards

The Game of Your Life

Present benefits
Are like salt on the dish of
Long term benefits

The Game of Your Life

The Game of Your Life
Is accumulating points
Now to spend later

The Game of Your Life

If I got rewards
For each time I rode a bike
I'd live forever

The Game of Your Life

The Game of Your Life
Has reward substitution
As it's Focus

About Roger Keays

Roger Keays is an artist, an engineer, and a student of life. Since he left Australia in 2009, he has been living as a digital nomad in over 40 different countries around the world. Roger is addicted to surfing. His other interests are music, psychology, languages, and finding good food.
