[Traffic At A Saigon Intersection, Vietnam](#)

By [Roger Keays](#), 8 April 2011

Take a look at the everyday traffic of a typical intersection in Saigon (Ho Chi Minh City), Vietnam. The result of the 2009 Census shows that the city's population was 7,162,864 people, about 8.34% of the total population of Vietnam, making it the highest population-concentrated city in the country.

About Roger Keays

Roger Keays is an artist, an engineer, and a student of life. Since he left Australia in 2009, he has been living as a digital nomad in over 40 different countries around the world. Roger is addicted to surfing. His other interests are music, psychology, languages, and finding good food.
